

October 1, 2007

Dear Current and Prospective Season Pass Holder,

The summer of 2007 proved to be an exciting year at Timber Ridge Golf Club. I would like to thank Jay Pritzl and his entire crew for keeping the course in excellent playing condition throughout the summer drought. I would also like to thank my entire staff for their efforts in keeping the highest quality of standards that you have come to know at Timber Ridge Golf Club.

Wednesday Men's League has maximized its membership at 124 players and enjoyed a successful and fun-filled season. Next year, Tuesday Ladies League will continue to be administered by the Pro Shop, with tee times and special field events. Senior League, with an 18 hole format, had another successful season. Next year, the league will have tee times and we look forward to more players joining next season. The themed couples events held on Sundays throughout the summer had great turnouts and will make its return. The Lakeland Cup was held at our course this year, and after many impressive individual matches on Saturday afternoon, the cup still remains to be held by Timber Ridge for the third year in a row.

With the help of my first year assistant pro, Kalynn Jensen, we have developed a great teaching program at Timber Ridge. The Junior Camp turned out to be a great success at both sessions, and we look forward to more kids participating next summer. Also, the clinics held every other Tuesday for the ladies league came with high reviews. The ladies league can look forward to more clinics next season.

We will be attending the PGA Merchandise Show in Orlando, FL in late January and would welcome any comments or suggestions regarding the products we carry in the golf shop. I plan to have the pro shop open for a few weekends in December for your Christmas shopping needs. Please check the Lakeland Times or call the pro shop for times and dates.

Please take a moment to check out our new web site. There is and will be new information about leagues, online booking of tee times, coupons, and other information that is updated daily. Also, the 2008 membership form may also be found on there as well to print out for your convenience.

We are constantly striving to increase the membership base and to create a club atmosphere at Timber Ridge. We will once again have your membership referral program for 2008 with a \$50 discount for any new member referred by a 2007 member. The 2007 member will then receive a gift certificate for \$50 in the golf shop. If you have any further questions or concerns, please feel free to contact the golf shop.

Fairways & Greens,

Tom Dolby  
Head PGA Golf Professional
