Dear Current and Prospective Season Pass Holder,

The summer of 2009 proved to be an exciting year at Timber Ridge Golf Club. Our superintendent, Jay Pritzl, and his staff kept the golf course in immaculate condition throughout the entire summer, and I would like to thank them for all their hard work. Additionally, I would like to thank my entire staff for providing the highest level of customer service that Timber Ridge is known for. Looking towards the 2010 season, there are some subtle course changes along with the addition of some new back tees.

The 2009 leagues offered members a fun, competitive and social atmosphere and had increased level of participation in all leagues. The Wednesday Men's League had a successful season with maximum capacity of 120 players. The morning Tuesday Ladies League was up in numbers and all ladies had positive thoughts towards some new implementations. Additionally, the Tuesday Ladies Happy Hour Clinic has sparked attention and almost every clinic was maxed about with 40 ladies. The ladies can look forward to Assistant Pro, Kalynn Dolby, administering this clinic next season as well as a few all day ladies clinics. The Thursday morning Senior League increased its numbers once again with about 35 guys playing every week.

The Junior Golf Program at Timber Ridge has really grown in numbers the past few years, but especially in the 2009 season. Both sessions had almost 30 kids. The juniors learned all the fundamentals of golf including etiquette, technique, rules as well as on course instruction.

Along with the leagues, the 2nd annual Timber Ridge Men's Match Play Championship was held throughout the summer. The match play started with 48 guys this year starting in June, and the final match was completed in September. The Lakeland Cup was held on our home course this year and with pretty even matches in the alternate shot and 4 Ball, our players dominated in the singles matches and we won the cup back.

For all those of you looking to do some Christmas shopping, the golf shop will be once again open in December for all your holiday needs. Please check our website or the Lakeland Times for dates and Times. The 2009 Christmas Party will be Friday, December 18th from 4:30-7:00pm at the Thirsty Whale with complimentary appetizers. As the web keeps becoming more popular, we are trying to provide members with the most current information on our website as well as the 2010 membership form may be viewed and downloaded.

The membership base at Timber Ridge keeps growing, and we are constantly striving to increase members. Consequently, we will once again have the membership referral program for 2010 as well as a early bird bonus program with a \$50 discount for any new member referred by a 2009 member. The 2010 member will then receive a gift certificate for \$50 in the golf shop. If you have any further questions or concerns, please feel free to contact the golf shop.
